OIL CASUALTY INSURANCE, LTD.

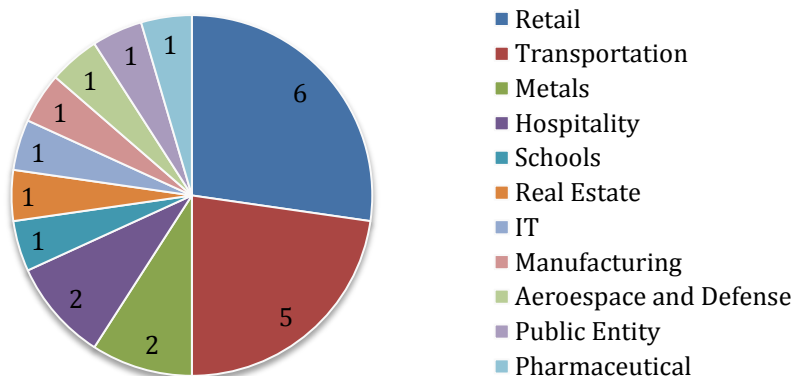

## September 2016

### 30<sup>th</sup> Anniversary

Since its inception in 1986, OCIL has provided prompt and friendly claims and underwriting services to the global energy industry. The Company celebrated its 30<sup>th</sup> Anniversary in May, 2016 and is excited for the opportunities that lie ahead.

### Expansion beyond Energy

In October, 2015 the Company began underwriting beyond energy industry risks. OCIL is beginning to gain traction on this front. As of August 1<sup>st</sup>, the liability team has written two Class 1 railroad companies and one commuter rail account. The property team has written 19 non-energy accounts. The chart below shows the various industries (by number of policyholders) the Company now insures outside of the energy sector.

### Personnel Changes

OCIL is pleased to announce the advancement of Duncan Frith to Underwriter in the Liability Department and Tom Rego to Assistant Underwriter in the Property Department. As OCIL continues to expand we remain committed to providing quality service for our valued Shareholder and Non-Shareholder insureds. As such, we are excited to welcome Katie Stevenson and Tare Brangman. They have joined the Liability and Property teams respectively as Underwriting Assistants. This past quarter Raymunda Smith left the Company after nearly ten years as a Liability Underwriter to relocate with her family to the UK. Finally, Beverly Adams also left the Company to seek other opportunities. We wish them well in both their personal and professional endeavors.
